\*Only available with V-Toon

## FEATURE HIGHLIGHTS

### Wall Design

The exclusive automotive-inspired styling is designed with aluminum panels to stand out on the water and take fit and finish to a whole new level.

### MAX Deck

Available exclusively on models powered with the Rotax S. Unlocks up to 38 sq. ft. of more functional space at the stern, providing easy access for recreational activities and space to store water toys, coolers and more.

### Engine and Hull Options

Both twin tube and V-Toon hull options are available with a choice of traditional outboard engines or Rotax S outboard engines.

### Captain's Helm

The dashboard layout and design dedicates 4 unique sections of the helm to key functions, ensuring that phone charging, radio control, vessel monitoring, and vessel switching are accessible and intuitive.

### Switchback Loungers

The flexible furniture design includes Switchback loungers with adjustable backrests to easily convert from rear-facing to forward-facing seats.

### Integrated Cupholders and Speakers

Cupholders and speakers have been integrated into the walls to offer an enhanced on-board experience without sacrificing space.
